Events United

Bringing people back together

1. User stories

As a organiser I want to:

1. **POC Create events** to display on the application, so other martians are informed on the upcoming events.
2. **Post updates about an event**, so that martians are kept up to date in case something changes.
3. **POC See how many martians are interested** in an event, to make the necessary preparations according to the size of the event.
4. **POC See how many martians bought a ticket** for an event on a chart, to make the necessary preparations according to the size of the event.
5. **Blacklist martians** in case they do something that is not allowed, so that they don't cause any nuisance on future events.
6. **Have security**, so that our events stay safe
7. **POC Sell tickets**, so that we have a source of income.
8. **Have food and drink stands** for the attendees, so they don't have to leave the event to drink or eat. And to earn more revenue.
9. **Hire populair martians** to perform, to attract more martians.
10. **POC** See the distribution of Martians interests on a **chart**.

As a martian I want to:

1. **POC See all upcoming events and their info**, because I want to be up to date.
2. **POC Filter events** on interests, location..., so that I can quickly see the most suited events for me.
3. **POC Put myself as “interested” on an event page**, so that I receive more notifications about that event to keep me up to date.
4. **Put myself as “going” to an event page**, so that my friends know that I am going to the event.
5. **POC Buy a ticket online** for events I'm interested in, so that I won't have to wait in a queue.
6. **POC Buy a ticket at the event itself**, in case I forgot to buy a ticket or decided last-minute.
7. **Buy tickets for other people**, so that I can take my friends with me.

8. **See all other martians and their interests** that are present at the event, because I want to socialise with martians having the same interests.
9. **POC Filter** martians on the map **based on personal information** (ex. age, interests,...). This way I only see people who I'm most interested in.
10. **Get recommended interests** after talking to other martians, so that I don't need to think about added interests manually.
11. **POC Inspect other martians their account**, so that I can learn more about that martian.
12. **Add martians as friends**, so that I can keep in contact with the martians I liked.
13. **Keep in contact with my friends** via messaging or video call service.
14. **POC Adjust my personal information**, so that I can provide the right information for other martians.
